

# JENNY OLDFIELD

Jenny Oldfield has a gift for storytelling. She's able to weave her magic for younger and less confident readers and enchant older readers with her new titles. From *My Little Life*, *Definitely Daisy* and *Totally Tom* through to *Horses of Half Moon Ranch* and the *Dreamseeker* series, Jenny creates compelling, accessible and original novels for children of all ages who love to read. She's a national treasure!

Born and brought up in Harrogate, Yorkshire, Jenny Oldfield went on to study English at Birmingham University, where she did research on the Brontë novels

and on Children's Literature. She then worked as a teacher, before deciding

to concentrate on writing. She writes novels for both children and adults and, when she can escape from her desk, likes to spend time outdoors. She loves the countryside and enjoys walking, gardening, playing tennis, riding and travelling with her two daughters, Kate and Eve.
